PROFILE

Digital Marketing Manager with a strong background in content strategy, web optimization, and integrated digital campaigns. Experienced in planning and managing end-to-end digital marketing initiatives, from strategy development to execution and performance analysis.
Led the digital presence and growth of multiple brands by managing website projects, social media strategies, and performance-driven campaigns. Passionate about using data, creativity, and strategic thinking to increase brand impact, conversion rates, and long-term business growth.

WORK EXPERIENCE

Digital Marketing Manager

golrang 2026/01 - PRESENT

- Develop overall and specialized strategies aligned with business objectives.
- Define measurable KPIs (such as digital market share, ROAS, CPL, conversion rate, organic traffic, and engagement rate).
- Analyze competitors and identify new opportunities in the digital landscape.
- Lead on-page and off-page SEO strategies, develop content calendars, and oversee the production of high-quality, targeted content for multiple websites and blogs.
- Focus on keywords relevant to each product category.
- Design, execute, and optimize paid advertising campaigns across Google Ads and social media platforms (Instagram, Telegram, and local platforms), including budget management.
- Develop social media presence strategies, manage social media teams, increase user engagement, run viral campaigns, and boost brand awareness.
- Utilize advanced analytical tools (Google Analytics and Power BI) to monitor campaign and channel performance.
- Deliver regular analytical reports to senior management, with a focus on business outcomes and ROI.
- Interpret data to identify trends, opportunities, and issues.
- Lead and manage internal digital marketing teams, as well as coordinate with external advertising agencies.
- Manage digital projects from ideation to execution and evaluation.
- Stay updated with the latest digital marketing trends and technologies.
- Propose and implement innovative ideas to increase digital market share and brand recognition.

Digital Marketing Manager

tejarat bonyan 2025/08 - 2026/04

- Transformed the lead generation structure by redesigning specialized landing pages and implementing smart forms, resulting in a significant increase in quote requests and installation inquiries.
- Executed a content-driven SEO campaign based on high-conversion keywords (such as “buying guides,” “model comparisons,” and “capacity calculation”), leading to organic traffic growth and top Google rankings for more than 10 strategic keywords.
- Launched targeted campaigns for existing customers (including periodic service plans and warranty renewals), increasing repeat sales share and strengthening Uneva brand loyalty.
- Developed and implemented a specialized content strategy focused on core (pillar) keywords across the customer journey (e.g., “Guide to choosing the right air conditioner for your space,” “Best energy-efficient air coolers,” “Comparison of Uneva inverter air conditioners vs competitors”), resulting in increased organic traffic and higher quote request volumes.
- Led end-to-end strategy development, KPI definition, and content/keyword mapping through to execution and continuous optimization; including full SEO and content management, website and landing page structure optimization, execution of social and marketing channel campaigns, performance monitoring, data analysis, and iterative optimization based on results.

Digital Marketing Manager (SEO, Web & Creative)

petro setareh falat 2025/01 - 2026/03

- Led and executed the company’s end-to-end digital marketing strategy across social media, SEO, website management, paid advertising, and email marketing, aligning all initiatives with brand and business objectives.
- Planned, developed, and optimized 10+ corporate and e-commerce websites (including Bisetoondairy, Filteralborz, PSP Holding, Zimidco, Iranian Falat, Yonardandeh, and Niawarang), improving user experience, site performance, and conversion rates.
- Defined and implemented SEO and search marketing strategies, resulting in up to 30–50% growth in organic traffic, improved keyword rankings, and increased domain authority across multiple websites.
- Managed digital projects from initial strategy and concept development through launch and live performance monitoring, ensuring timely delivery and alignment with marketing KPIs.
- Designed and executed performance-driven social media strategies, combining organic content and targeted paid campaigns to increase reach, engagement, and click-through rates (CTR) by 25%+.
- Led content and brand messaging strategy for social media and digital assets, supporting new product launches and maintaining consistent brand positioning across platforms.
- Implemented conversion rate optimization (CRO) initiatives, including landing page improvements and campaign optimization, increasing lead generation and conversion rates by 15–25%.
- Monitored, analyzed, and reported on digital marketing performance using analytics tools (traffic, engagement, conversion, SEO metrics), delivering actionable insights and strategic recommendations to management.
- Conducted market and competitor analysis to stay ahead of industry trends and consumer behavior changes, continuously refining digital strategies for higher ROI.

- Initiative and commitment to company's activities
- Continuous pursuit of development
- Positive thinking and energy
- Honesty and diligence
- Creativity and resourcefulness
- The ability to learn quickly
- Quick information retrieval

- Monitored and analyzed key web performance metrics including sessions, bounce rate, time on site, and conversion funnels, identifying trends and optimization opportunities.
- Led website optimization initiatives (content structure, on-page SEO, image optimization, internal linking, and UX improvements), resulting in improved search visibility and higher-quality organic traffic.
- Improved search engine rankings for priority keywords and landing pages, contributing to an estimated 20–40% increase in organic traffic across managed websites.
- Delivered regular performance and insight reports to management, translating analytics data into clear recommendations for strategic and tactical improvements.

Digital Content & Creative Strategy (Digital Marketing)

pasargad 2022/08 - 2025/01

- Led social media content and creative strategy for Instagram (posts and stories), ensuring alignment with brand positioning, campaign goals, and audience behavior.
- Oversaw the production of visual and written content, defining messaging frameworks and creative direction rather than focusing solely on execution.
- Directed brand identity development and consistency, including logo design and visual guidelines, to strengthen brand recognition across digital channels.
- Developed and managed content planning and ideation processes, generating data-informed ideas based on audience insights, trends, and campaign objectives.
- Spearheaded the creation of page-level content strategies (visuals and copy) to meet project requirements, marketing goals, and conversion objectives.

Website Strategy & Performance Management | Digital Marketing

pasargad 2021/08 - 2025/01

- Led the website strategy, design, and development for paascoplus.com, ensuring alignment with brand positioning, SEO objectives, and conversion goals.
- Collaborated with UI/UX designers and back-end developers to define requirements, oversee implementation, and deliver high-performing, user-friendly websites.
- Managed cross-browser and multi-device compatibility standards, ensuring consistent performance across desktop and mobile platforms.
- Implemented and monitored tracking, analytics, and user behavior tools to evaluate website performance, user journeys, and conversion funnels.
- Defined and executed SEO-driven website architecture and content strategy, contributing to improved rankings, organic visibility, and qualified traffic growth.
- Led website performance optimization initiatives, improving loading speed, navigation structure, and usability, resulting in increased engagement and reduced drop-off rates.
- Oversaw the creation of page-level content (visuals and copy) to meet marketing objectives, UX principles, and project specifications.
- Applied industry best practices in UX, accessibility, scalability, and security, ensuring sustainable and future-ready web platforms.
- Improved overall website traffic and user retention by identifying and resolving navigation bottlenecks and usability issues.
- Contributed to projects within Scrum-based environments, aligning web development timelines with broader digital marketing plans.

- Supported internal teams and clients by providing website training, documentation, and performance insights, enabling better use of digital platforms.
- Defined and oversaw the development of conversion-focused landing pages, ensuring usability, cross-browser compatibility, and alignment with campaign goals.
- Guided the concept, wireframing, and prototyping process to enhance user experience (UX), strengthen interaction design, and improve engagement and conversion performance.
- Collaborated closely with in-house UI/UX designers to deliver visually consistent, user-friendly, and brand-aligned interfaces across digital platforms.

Product management 2023/07 - 2023/09

productplan

- PRD Design
- MRD Design
- Product cycle
- Market Research
- Strategic Planning
- Addressed product-related questions by reviewing reports to provide informed responses.
- Researched competitive landscape to report key insights on market leaders.
